Millwork

Manufacturers of

Architectural Mouldings and Flooring

At Alpine Millwork, we are dedicated to producing high-quality architectural mouldings in a variety of species of hardwood from 4/4 to 10/4 lumber. With over 10,000 stock moulding profiles, we have quickly become a leading producer in the tri-state area and boast one of the fastest turnaround times in the industry.

In addition to the profiles in this catalog, we also specialize in custom work, turning your ideas into reality. From start to finish, all work is done in-house. Our team of CAD designers can take your pencil sketch or wood sample and create a professional digital drawing for your approval. From our CAD files, our tooling team grinds our own knives and calibrates each precise measurement so that when it is set on our moulding machines each cut is perfect – every time.

Our deep commitment to the milling process includes:

- Highly-Professional Order Processing
- Expertly-Trained Technicians
- State-of-the-Art Moulding Machines
- 25" Double-Sided Planer
- Curtained Delivery Trucks

We know that you will be pleased with our high-quality mouldings, competitive pricing, and our excellent customer service. Our professional team is always ready to serve you. Email your quotes and purchase orders and you will receive a reply within 24 hours. Our system of checks and balances eliminates errors and provides clear customer communication.

POPLAR	AMERICAN CHERRY	IPE
RED OAK	AMERICAN WALNUT	CUMARU
WHITE OAK	BRAZILIAN CHERRY	WENGE
HARD MAPLE	SANTOS MAHOGANY	PURPLEHEART
SOFT MAPLE	PERUVIAN WALNUT	...and many more!

We have a specialty flooring division too! Items include stair nosing, reducers, saddles, feature strips and much more. Request a catalog today.
